When a small boy, Wallace Capps, with his family lived in Yakima until he was about 15 years of age, when they settled in the Willamette Valley. In 1887 he, Wallace Capps, came to Drewsey where he made his home until 1936, when he moved to Burns.
The following is an article taken from an old Yakima newspaper clipping. Written about 1925.

Teacher Tells of Early Days

Dr. Wm. Capps, who now lives in Puyallup, describes Indian scare & pioneer school on Tenas Creek.

Apple trees, planted almost a half century ago in the Naches valley by Dr. Wm. Capps, are now heavy with pink & white blossoms. Dr. Capps, who makes his home in Puyallup, recalls the stirring days of the early settlement of this district in a letter to the Herald.

"In the year 1878 Monroe Kincaid & I, with our families, moved from the Willamette Valley into the Yakima country & settled on the Naches river in what is known as the upper valley," said Dr. Capps. "The town of Naches is built on a part of my 160 acres, so I have been informed."

"At that time there was no railroad in the country; only one small town in the Yakima Valley, located near the gap in what is now known as Old Town. (It is Union Gap now)

First Fruit Trees

As far as I know, Mr. Kincaid & I brought the first apple fruit trees into the Yakima Valley. There may have been a few apple trees planted in some localities before, but no orchards of any considerable size. Some of the old trees we planted are still living.

"I set my trees out on the Tenas creek on the place now owned by Cowans, to whom I sold 142 acres in 1881. Mr. Cowan & my dear friend
neighbor, Mr. Lincaid have long since passed
to the beyond.

"I taught school in the Naches, also in the
Naches valley. Among my pupils were the
children of George Taylor, Dave & Charles Long
mire, Thomas Kelley & Carline, Mr. Laughlin,
Burges, Millers, Smith's, Sinclairs, O'Neals &
Dentons & others I do not now recall.

In the winter of 1879 I was initiated into the
mysteries of Free Masonry, in Yakima Lodge
No. 24. Orlando Beck was master; George Taylor
senior warden; Mr. Keling, junior warden; &
D. H. Goodman was secretary. All of them have
since died.

Indian Chase

"I recall one exciting episode of the
early times. The Burbank boys were out in
the hills searching for their horses when
they were fired on by a band of hostile Indians.
A bullet fired by an Indian passed through
the pommel of one of their saddles. The boys
being mounted on good horses, escaped the
Indians; after a chase of several miles in
which they fired back at the Indians as they
rode along.

The alarm soon spread throughout the
Naches neighborhood, a stockade was
hostily erected & the families hurried into it,
expecting an attack at any minute.
Fortunately the patrol boats on the Columbia
prevented any more Indians from crossing.
alt soon returned to their homes. Dave Langmore & the others who are still living
may remember the incident.

Changes are Many

"What a mighty change has come over the
Yakima valley since that day. A flourishing
city has sprung up, there are fine farms, a
beautiful orchards, an abundance of water
for irrigating the rich alluvial soil has
been brought from the rivers by fine systems
of canal construction. Today the Yakima
valley is one of the most alluring spots in
the great state of Washington.

"Having been a pioneer in the Yakima
valley I love it still, & more than the
country, I love the dear old friends &
neighbors, who still linger as I do, on the
shores of time; I am now in my eighty
fifth (85) year."
